Management Information System

You will be happy to note that Durgapur Government College is launching a **Management Information System (MIS)** from the RUSA fund as a part of e-governance in the college to preserve paper-free records of faculty, students and staff in the college in a cloud based software.

This system will be officially implemented in the college from the next academic session and will be used for all official data keeping, IQAC records, admission records, examination records and all data related to faculty members, students and staff of the college.

Data submitted to this portal should be carefully checked before providing since this data will be used to give time to time information required by the State Government, Affiliating University and NAAC/IQAC related work in future.

All faculty members (full time and part time) are requested to fill their data for registration to the portal through the **Google Forms (link given below)** within **27/06/2020** positively. Please note that the **registration data can be submitted only once**. For any query or difficulty please contact at **managementdgc2020@gmail.com**. Please note that registration to the portal is **mandatory** for all faculty members and all are requested to consider this matter as important and very urgent.
